

MID ORETI DROP-IN SESSIONS

Curious about improving water quality and boosting biodiversity in the Winton Stream Catchment?

Drop in for an informal chat and learn about a new, FREE online tool developed by the Mid-Oreti Catchment Group. This tool is designed to help landowners make informed decisions on where to place wetlands, bunds, and sediment traps, offering great benefits for both land and water.

Join us at one of our sessions to see how it works and how it can benefit you.
