Who are we?

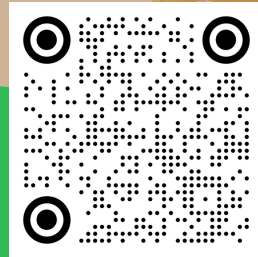

The Mid Oreti Catchment Group is a diverse group of locals with a passion for improving the environment and the health of the waterways of the Mid Oreti.

Our members include sheep, beef, dairy, deer farmers, industry and community members from the Winton township and surrounds.

Everyone is welcome!

What do we do?

- Connect our community
- Tackle projects and solve issues
- Run events
- Access expert advice and information
- Share knowledge and skills
